

# MANY GIRLS AIM AT A BUSINESS CAREER

Responsibilities and Activities of Commercial Life Are the Worthy Goals of Ambitious Young Ladies--Miss Olga Hilborn Leads the Whole Contest With 15,960 Votes to Her Credit

Over 500,000 votes have been cast in The Astorian contest. This is the record of three weeks. Not half bad for the short length of time the contest has been in operation. Votes are coming in more rapidly daily and from now on the contest will be a more absorbing topic of conversation in Astoria and surrounding country. Interest is increasing daily since the publication of the first list of names, and indications are that the different ladies interested in the contest will be able to get votes a great deal more easily from now on.

The Astorian appreciates the interest which is being shown in this contest and assures the contestants and their friends that the managers of the contest will do everything possible to assist them in securing the prizes they desire. The prizes are all valuable, the only difference being the choice.

A great number of letters which have been received by the contest manager contain inquiries about the scholarships, showing that a large proportion of the young women who have entered the race are interested in that feature. The Behnke Walker Business College is where the winners will receive full course scholarships. There is no better school in the west and personally conducted under the able management of Mr. Walker.

Contestants shouldn't hold subscriptions. Send them in promptly and hold the votes as long as you please. Subscribers should have due credit, promptly, on the books for all payments made.

There is a ballot box in the Astorian office where the votes may be deposited for any young ladies whom you may see fit to vote for. If you cannot bring the ballots to the office, send them in by mail to the Contest Manager and the votes will be accorded to the young lady for whom they are intended. The votes are counted twice, so there can be no mistake as to the proper number of ballots accorded to each candidate. The votes are always open for inspection to insure a fair deal.

**HOW TO WIN.**  
Any young lady who desires to enter this great contest and win one of the magnificent prizes offered, should at once see that her name is sent to the contest manager. All that is necessary to win a prize is to receive the largest number of votes according to the condition mentioned elsewhere in this announcement.

Candidates should at once interest their friends in the contest and by united and energetic action induce as many people as possible to vote for them. Each nomination coupon cut from the Astorian will count for five votes for a candidate.

The nomination coupon will only appear for a few days. The easiest and quickest way to win is for candidates to ask their friends to prepay their subscription for six to twelve months. It costs the subscriber nothing extra to do this and they are saved the annoyance of weekly and monthly collections. By so doing you receive a special vote ballot which is good any time during the contest.

Orders for the prizes will be given the successful contestants at the close of the contest; same may be used by the contestant herself or disposed of in any manner she may see fit.
